

Pinetree PTA Presents the Reflections Theme for 2015-2016

Let Your Imagination Fly

Participate in this year's Reflection Program

Reflections is an arts participation and appreciation program, sponsored by local, state and national PTAs. The Reflections Program provides opportunities for students to express themselves creatively and to receive positive recognition for original works of art inspired by this year's theme. The program strives for participation from every student and is free to all students.

You may enter in any or all 6 art categories: Visual Arts, Dance Choreography, Literature, Photography, Film production, and Music composition.

If you are interested in participating, please return the bottom portion of this flier to your teacher. You will then receive an entry form and rules packet for the artist category that interests you.

Student Name _____ Grade _____ Teacher _____

You MUST choose at least ONE category below so we know which rules to send you. You may choose as many as you like.

**Visual Arts / Dance Choreography / Literature / Photography
Film Production / Music Composition**
